

GET TRAINING,
GET QUALIFIED,
BOOST YOUR SKILLS,
INSPECT OUR SERVICES

NEW YEAR, NEW SKILLS

Are you looking for a new challenge in 2010?

Did you know that as one of our tenants you could train to become a Resident Quality Inspector?

Students who complete the course will be awarded a level two Certificate in Housing.

Once qualified you can get involved in inspecting our work and help us to keep improving services for the benefit of all our tenants. You can also inspect other landlords' services, by looking at the quality of:

- Estates and neighbourhoods
- Communal areas
- Empty homes
- Repairs
- Gas maintenance
- Major home improvements.

The course starts in April and will involve seven tutor group sessions together with practical tasks and assignments. You will need to be able to spend seven days in the classroom over a 15-week period.

We can help with transport and/or childcare if needed and can also give you access to computers at our offices.

No previous qualifications or experience in housing are required, just enthusiasm and commitment.

To find out more about this exciting opportunity please contact your Community Development Team by **Wednesday, February 24**, on:
